Check with the seller before completing your purchase. This access code card provides access to MyLab Counseling with Pearson eText. Current, innovative, and all encompassing, Orientation to the Counseling Profession: Advocacy, Ethics, and Essential Professional Foundations provides a wealth of information on the most foundational and emerging issues of the counseling profession. It is specifically designed to orient counselors-in-training, regardless of specialty area, to the profession of counseling. The title includes comprehensive coverage of the major tenets of the counseling profession including advocacy and multicultural counseling, licensure, professional associations, ethical/legal issues, crisis intervention, consultation, supervision, outcomes, research, and the counseling process, with diverse applications across the life span, settings, and specialties. Written in keeping with new counselor preparation initiatives, which expose counselors-in-training to essential current and future practices, it prepares students for the future of the counseling practice into which they are about to enter. New to this...

Reviews

Merely no words and phrases to describe. I am quite late in start reading this one, but better then never. I found out this ebook from my i and dad encouraged this pdf to find out.

-- Hyman Auer

I actually started out looking over this publication. It can be writter in easy phrases and never difficult to understand. Your lifestyle span will probably be transform as soon as you comprehensive looking over this ebook.

-- Prof. Dayne Crist Sr.
