Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE WORD DETECTIVE

Little, Brown, 2016. Hardcover. Condition: New. The former chief editor of the Oxford English Dictionary, John Simpson spent almost four decades immersed in the intricacies of language. His memoir describes the career of a lexicographer who revels in the excitement of historical dictionary work. It is also a celebration of the English language, describing how words come and go; how culture shapes the language we use; and how technology has transformed not only the way we speak and write but also how words are made.
